Placements for men with a range of complex mental health needs

We are a specialist provider of care and accommodation to men who are difficult to place in the community because of their enduring mental health needs, forensic backgrounds and/or substance misuse.

Our aims

- 1) To assist care teams in the recovery and rehabilitation of their clients.**
- 2) To enable service users to lead the fullest lives possible in the community.**

Price

Placement costs start at £900 per week. We will negotiate discounts for multiple placements, and we can also deliver tailored care packages.

How to make referrals

We need a latest CPA, risk formulation, discharge summary, and/or tribunal report, plus as much background detail as possible in order to assess your client. We will then provide a detailed assessment report. To make a referral please send the documents above to referrals@stmartinoftours.org.uk
